## OUTER WEST MET ZONE CHAMPIONSHIPS

### 2024/25

**Harold Corr Oval, Cambridge Park NSW**  
**13th, 14th, 15th December 2024**

On behalf of the Outer West Metropolitan Zone organising committee, we welcome all athletes who will be competing this weekend for our Zone Championships.

We extend a thank you to Werrington Athletics & Penrith Valley Athletics as the hosting venue for the carnival.

**To our Athletes:**

Do your best and ensure you have fun and enjoy yourselves.

**To the Families & Supporters:**

Help our athletes have fun and enjoy the weekend. Please applaud all performances and remember encouragement is better than pressure.

**To all of our Officials:**

We would like to thank our officials in advance who will be working hard over the entire weekend, in the track and field event areas. Also the many other Club and Zone representatives that are not as highly visible.

Without our dedicated volunteers the Outer West Met Zone carnival cannot function, and we thank them for their tireless contribution. We hope that all the athletes and families appreciate the immense contribution they make and the endless hours that have gone into preparing this weekend to be a success.

**To the Centre Helpers:** Thank you for volunteering your time to help this weekend run smoothly. Without you also, this carnival would not be possible.

# GENERAL INFORMATION

## **Canteen Facilities:**

This year we will have the canteen in operation as well as the BBQ for your hot food. There will also be vendors on site for your coffee fixes, and Ice Creams!

## **Parking:**

There is limited parking available in the Harold Corr Oval carpark. If our car park is full, please utilise street parking and avoid blocking residential/business driveways. Do not park on the open grassed areas at the field.

## **Toilets:**

There will be portable toilets on site.

## **Marshalling:**

Track Events: Listen to the PA announcements. First & Second calls will be made. Please escort your child to the Marshalling Tents (see map). No parents are to be inside this tent. Leave your child with the official and move to a spectator area.

Field Events: Announcements will be made over the PA. Please escort your child directly to the field event location (eg Long Jump pit 1) and they will remain with the official. Parent helpers will be required at field events.

## **Spectators:**

Inside the competition area (black fencing) is out of bounds to non athletes. Spectators are to remain outside of the field at all times, unless you are a parent helper for the event.

## **Behaviour:**

Under no circumstances will unruly, unsportsmanlike etc. behaviour be tolerated. We are here for the children and all adults involved in the running of the day are volunteers. Any abuse of any kind will not be tolerated and will be referred to the Little Athletics NSW Code of Conduct, and you will be asked to leave the venue/competition area immediately.

## **Place Judging / Time Keeping:**

We are using Timing Solutions Gates in conjunction with camera/video finishes in laned events to determine all placegetters. No place judges will be used apart from the Chief Place Judge.

## **Changes to the Program:**

Due to some track events being changed from heats to finals and/or event numbers not running in strict numerical order, it may necessitate the program to be changed.

## **Team Managers:**

Centres are asked to nominate at the start of the carnival their respective Team Manager(s), who will be the only people to lodge protests. No information will be given to anyone other than the team managers.

## **Combined Events:**

At the discretion of the Track & Field managers certain events may be combined due to an insufficient number of competitors. In this case, children will only be in competition with their own age group.

**Medals:**

This year medals will be awarded to the first three (3) placegetters in all ages.

**Results:**

All results over the weekend will be updated via the Live Results website. See following pages for QR code. Please note track results are uploaded relatively quickly, whereas field events will be entered manually. Please allow time for this to be completed throughout the day.

**Good Luck to all athletes and thank you for your support!**

**Competing Centres****Colyton / St Clair**

Uniform: Red, Green and Black

**Cranebrook**

Uniform: Bottle Green and Black

**Emu Plains**

Uniform: Blue, Red and White

**Nepean**

Uniform: White, Blue & Yellow

**Penrith Valley**

OUTER WEST MET ZONE 2024

## PROGRESSION FROM ZONE TO REGION

The table below outlines the number of athletes that may progress from Zone to Region Championships. This is subject to the regulations outlined in section 7 & 8 of the document Entry Regulations – Championship Progression that can be found on the LANSW website: [Entry-Guidelines-State-Pathway-FINAL.pdf \(lansw.com.au\)](https://lansw.com.au/entry-guidelines-state-pathway-final.pdf)

| Regions and Zones |                                                                            | Zone to Region Progression               |                                                                                                                    | Relay Progression                                   |
|-------------------|----------------------------------------------------------------------------|------------------------------------------|--------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------|
| Region            | Zones in Each Region                                                       | What places progress from Zone to Region | What is the maximum number of next best qualifiers that will progress from across all Zone results in that Region? | What number of relays progress from Zone to region? |
| 1                 | New England, Northern Rivers, Mid North Coast                              | First 4 Places                           | 4                                                                                                                  | First 2 Places                                      |
| 2                 | Central Coast, Lake Macquarie, Hunter, Port Hunter                         | First 3 Places                           | 4                                                                                                                  | First 2 Places                                      |
| 3                 | Western Plains, Western Ranges                                             | First 6 Places                           | 4                                                                                                                  | First 3 Places                                      |
| 4                 | Eastern Riverina, Western Riverina, Mid South Coast, South Coast Highlands | First 3 Places                           | 4                                                                                                                  | First 2 Places                                      |
| 5                 | Northern Metro, North East Metro                                           | First 6 Places                           | 4                                                                                                                  | First 3 Places                                      |
| 6                 | West Metropolitan, Outer West Metropolitan, North West Metropolitan        | First 4 Places                           | 4                                                                                                                  | First 2 Places                                      |
| 7                 | Central West Metropolitan, South West Metropolitan, Mid West Metropolitan  | First 4 Places                           | 4                                                                                                                  | First 2 Places                                      |
| 8                 | Inner City, Southern Metropolitan                                          | First 6 Places                           | 4                                                                                                                  | First 3 Places                                      |

### NOTE:

- If only 9 athletes arrive at the call room from entries to heats, then the heats may be collapsed to a final of a maximum of 9 athletes
- If after resolving a protest in an earlier heat an additional athlete is added to the final, then this can result in 9 athletes being in the final, Only the top 8 will be considered for progression, so that all zones have the same number of athletes qualifying to the next level).

### Selection of next best performances

- Performances in heats cannot be considered in selection of next best performances unless event is run as a Timed Final.
- Performances from all competitors in a field event will be assessed for next best performances. This means that an athlete who does not reach the second round (or final trial) may still perform a next best performance.
- Performances from all competitors in all pack events (e.g., 800 metres) will be assessed for next best performances.

### **10.1.3 Competition Order**

- a. The order in which athletes shall take their trials shall be drawn randomly.
- b. In all events, except for the High Jump, where there are more than 8 athletes, each athlete shall be allowed 3 trials and the 8 athletes with the best valid performances may be allowed additional trials.
- c. At LANSW events, athletes will be allowed 3 additional trials, where required.
- d. In the event of a tie (after a count-back) for the 8th place, any athletes so tying may also be allowed the additional trials. (Tying means, in this case achieving the same distance).
- e. Where there are 8 athletes or fewer, each athlete shall be allowed all applicable trials regardless of the number of failures recorded. **If one or more athletes fail to achieve a valid trial during the first three rounds of trials, such athletes shall compete in subsequent rounds of trials before those with valid trials, in the same relative order according to the original draw.**
- f. The competing order for any additional trials shall be in the reverse ranking order recorded after the first 3 rounds of trials.
- g. In all events except for High Jump, each athlete shall have a minimum of 3 trials and no more than 6 trials.

### **9.2 Progression to Finals (except for State Relays)**

- a. The following athletes shall progress to the final in their event:
  - i. 2 heats: 1st, 2nd, and 3rd in each heat plus the next 2 fastest times
  - ii. 3 heats: 1st and 2nd in each heat plus the next two fastest times
  - iii. 4 or more heats: 1st in each heat with the remaining lanes filled by the next fastest times.
- b. Where insufficient starters marshal for heats, that event shall be run as a final at the time of heats.
- c. In 800m events where there is more than one athlete per lane, progression from heats to finals will be at the discretion of the organising committee.
- d. Where there is a tie in determining the next fastest times, if possible both athletes shall progress through to the final. Failing that, the higher placed athlete in their heat shall progress. If the tie still remains, a random process with equal probability (e.g., a coin toss) shall be used to determine progression.
- e. Where the venue has nine or more lanes, the Competition organiser shall have the discretion to allow nine or more athletes to contest the final of an event. In such cases, Rule 9.3 a) shall be modified by increasing the number of athletes qualified due to the 'next fastest times' as appropriate.

## 5.3 Event Clashes

### 5.3.1 Clash Manager (when appointed)

- a. At no time shall an athlete leave an event on their own to compete in another event that is clashing. The athlete will be met by an Event Clash Manager who will take the athlete from one event to the other.
- b. If an athlete departs an event without an Event Clash Manager the athlete will be unable to continue in the event that they have departed upon return.

### 5.3.2 Clash of Events

- a. Except for High Jump, where a clash of events occurs, the Chief Judge may allow the athlete to compete out of round and out of order in all rounds. It is not permitted for an athlete to have two or more consecutive trials, nor can an athlete demand to have a trial that has been missed.

**Note:**

*The first three rounds of trials must be completed, and a final eight determined prior to any other subsequent rounds of trials being commenced.*

- b. For High Jump, where a clash of events occurs, the Chief Judge may allow the athlete to compete out of order. The athlete re-joins the competition at the current height of the bar.
- c. Athletes having been taken from a field event to a track event by the Clash Manager must return to the field event immediately following their release from the track event.

## 5.8 Clothing, Shoes and Athlete Bibs

### 5.8.1 Footwear

- a. Appropriate footwear is compulsory for all athletes in all events.
- b. No athlete may wear football boots or cleats in any event.
- c. Athletes in the **6's – 10's age groups shall** not wear spike shoes.
- d. Athletes in the **11's – 12's age groups** may wear spike shoes in events run entirely in lanes only. Spike shoes may also be worn for long jump, triple jump, high jump, and javelin.
- e. Athletes in the **13's – U20 age groups** may wear spike shoes in all track events (includes laned or un-laned events) except walks. Spike shoes may also be worn for long jump, triple jump, high jump, and javelin.
- f. All spike shoes must be worn with all holes filled with a complete set of spikes, with no more than two blanks/slugs installed.
- g. Spike shoes cannot be worn outside the defined "Field of Play" unless all spikes are suitably covered.
